Forecast for Monday 02 May 2022

Weather: Occasional low cloud, mist and drizzle overnight and early morning, most extensive around Lochnagar and Mount Keen, this lifting and clearing during the morning. Then bright with a few sunny spells and a scattering of showers. The showers most likely around Ben Lawers and Schiehallion with the best of any sunshine expected over Lochnagar and the Aberdeenshire hills later in the afternoon. Lowering cloud and some mist expected in the evening.

Chance of cloud-free hill tops above 800m: 30% early and late in the day, becoming 70% in the afternoon, but lowering in any showers.

Low Cloud and visibility: Occasional or extensive cloud, base well down at first, but this lifting and clearing above the summits by afternoon, although lowering onto the summits in any showers. Visibility locally poor or very poor at first, but becoming mainly good or very good, except in showers. Cloud and visibility lowering again in the evening.
